Russell ;

Here is the Dewey-Burdock letter, requesting EPA/BLM joint consultation and I talked with Mario and he said run it by the OST Land Committee - Chairman, Chancy Wilson, and then I called Barb Yellow Hair and she said it's already approved? By the OST Land Committee for me to send it onto to EPA/BLM, but I think it should come from an OST Official or OST Legal Attorney or staff?
Can you call me? Need some direction.
